

# SALVESTRIN

## 2013 Retaggio

### Salvestrin Estate Vineyard St Helena, Napa Valley

In 2013 the dry weather and warm growing season yielded intensely fragrant and rich wines from our estate vineyards. The Retaggio greets you with aromas of ripe red fruit, cola, and cedar from the dark plum colored wine. On the palate the wine displays flavors of black cherry and strawberry, framed by fine tannins and seamless oak integration. This is a wine that is ready to be enjoyed today but will age beautifully for many years.
